The Premises:

Block of flats at walking distance from the tube, loved the bedroom.

The Lady:

Very cute, a great body with a great attitude, others before be said that she's sex on legs... I can confirm.

The Story:

She helped me to dry up after the shower and gave me a very good massage after that, I liked it a lot, asian women are always very kind. The massage was followed by a superb blow-job, I had to sop her, I didn't want to cum too soon, we moved to 69 and I released my first cup while I had my tongue right up her pussy. On with the condom after just a few minutes of rest, had sex in several positions, she clearly wanted to please me, allowed a deep and hard penetration, made me cum again with her mouth. One to be treasured and pleased.
