The Lady:

Very beautiful lady. I was pleasantly surprise by what I saw. Blonde. Petite and slim. Enhanced breast, but doesn't look fake. Just lovely.

The Story:

Paid first. Then down to business. She's very pretty with a hot body so most are forgiven. Kissing was ok, she wasn't too willing. She's rather passive in bed, and will let you do what you want. When it comes to the action part, again she will let you lead. Willing to try different position, but felt reluctant to go on top. At it for about 40mins but she couldn't make me come. She had to finish me off by hand, and her technique was good. A level and OWO are extras.

Overall a nice experience because she was beautiful even though the action wasn't as good as it could be.
