The Story:

This was my second time seeing Pamela, and both times have been enjoyable. Suffice to say, if you can 'click' with Pamela and strike up a rapport, and show her respect - the service she gives is pretty damn good. The more comfortable she feels with you, the more enjoyable the time with her. She definitely seemed more at ease this time round, and it showed; her cowgirl and reverse cowgirl in particular were both amazing.

This time around she seemed to offer a combination of both PSE and GFE. I will hopefully be seeing her again in 2 weeks time!
