Her place was clean, nicely lit to set the mood. She shares the apartment with another girl I believe.

Pretty accurate to the photos, cute, smiley girl.

The Story:

I last saw Jodie a couple of times a few years back. Not much has changed in her service which has always been of a very decent standard. She is definitely a girl who likes to ensure her client leaves pleased. It is a shame that in the years that have seperated my visits, Jodie still doesn't have a full grasp of English, which hinders the conversation slightly, but that's a small gripe on an otherwise good service.
