### The Premises:

Clean establishment, polite receptionist, nice room.

### The Lady:

Delicious brunette with a fabulous body to match a bubbly and chatty attitude which I've liked very much.

### The Story:

We started to make out but the reason I was there was that I wanted to see her squirt, she suggested which buttons to press so, I fingered her pussy and her arse, found the right spot and had her explode, very nice indeed. After that, I had a quick shag in mish she was quite vocal. Overall a great experience.
