The Story:

Parties can be tricky, lots of naked guys and girls, it can get on your nerves, however, I must admit that I had the time of my life, still now, it's a blur of emotions and pure raw sex. It was all fucking and sucking and fingering, all the girls seemed to enjoy it and wanted to share their fun, overall a fantastic time, i needed a couple of days to recover but what a great time I had. It's something that I will repeat.
