### The Premises:

Easy 5-minute cab-ride from the centre of town, in a decent residential area and on a reasonably busy road but still discreet and very safe. No problem with house or facilities although the actual room that Cassie entertains in is a bit cramped for space.

### The Lady:

Attractive blonde lady, curvy, with AMAZING low-slung, hanging JJ-cup breasts - a true boob-lover's dream! Very pleasant and chatty lady to boot.

### The Story:

If you're a boob fan like me, then Cassie is worth travelling many miles to visit. She makes one feel very comfortable and at ease the moment you walk through the door and visually she is utterly incredible. When I arrived she was wearing a very tight black v-neck top that showed-off what appeared to be miles of cleavage! She then changed into a variety of amazing shirts and blouses that showed-off her humungous breasts to even more devastating effect! Two hours of utter bliss ended with a mind-blowing eruption all over her by then baby oil-soaked babies! Heaven couldn't be better than this, believe me! All you big great fanatics - make the journey to Northampton to visit Cassie. You won't regret it!
