The Story:

Let's first start with a disclaimer: this was my first punt so I was quite nervous and I am most likely partly responsible for the poor overall experience.

Having said that, it did not feel like Abbey likes her job.

Her behaviour was quite strange, she told me she is shy and even if she more or less complied with my requests when they were explicit, I constantly had to direct her which left me with a strange feeling.

Too bad, she has the nicest body on which I have ever laid my hands.
