### The Premises:

Heathers flat is located in a lovely, safe area of Edinburgh. Inside she had dimmed the lights, drawn the curtains and lit a candle. Lovely ambience and atmosphere.

### The Lady:

Heather is tall (5'9"), slim with a VERY peachy arse. She has firm enhanced D's and creamy toned soft skin with lovely small nipples that stand to attention with a little lick and suck. She has a very sexy brown bob hair cut.

### The Story:

As soon as I arrived at Heathers I was immediately aroused, she met me wearing stockings,.suspenders and a sexy bra. Once pleasantries were exchanged we began by kissing, lovely soft kisser. After some stroking and touching of her lovely body I couldn't resist and had to get my tongue in between her legs. A rather interesting peircing awaited me and a sweet taste.

After this I knelt on the bed as she began oral without. Fantastic oral skills. I love feeling my Dick go hard in a woman's mouth and she didn't disappoint, throating it deeper as it got harder. I almost came at this point but moved into a 69 where I couldn't resist her little arse hole, winking away, I asked if I could rim her to which se said ok. She seemed to enjoy it as my to tongue probed her tight little hole.

After this we went through a few positions, protected sex, I finished hard in doggie, with a handful of her brown bobbed hair in my hands as I came hard.

An EXCELLENT gfe guys. Recommended 100%.
