The Story:

whilst at chester races today i saw several ladies who got me thinking of sex with an indian lady, this was the first time with such a lady and she was definately a lady, i was a little unsure what to expect but coco made me feel at ease, she arrived spot on time and gave me the time not rushed. her boobs were delicious, round pert and sweet, her skin was smooth as silk i could of kissed it all day long. the karma sutra originated in india and i think this lady must of read most of it. more please if only i can get to chester again soon
