### The Premises:

Above a parade of shops on main road. Access through archway and up some stairs. Flat on two levels. Two bedrooms upstairs. Place stank of smoke. No washing facilities - sink blocked in room. Altogether not very nice or discrete. Maid was quite nice.

### The Lady:

Well built Eastern European lady with large breasts and ample behind. Quite a sexy face, but a bit of tum.

### The Story:

Chose this girl from a selection of two. Asked for oral and 20 mins. Was told to lie down on the bed on my back while she vainly tried to make my willy stand to attention. I was in a state of shock, wishing I was somewhere else, but it was one of those situations where your dick rules your head.

She was quite grumpy and I told her if she didn't want to do it she shouldn't bother which was a bit foolish of me since I had already given her the money. She kept pushing my leg flat so that she could get a clear view of the porn film that was playing on the telly in the corner. That plus it was a Sunday night made me think she might have been an amateur. Anyway she persevered and managed to get a rubber on and began sucking vigorously, to still no avail.

Eventually I stood up and asked her to suck me while she sat on the bed. This, plus me fucking her mouth, while she held my balls produced an erection. She bathed my cock in lube and I entered her warm fanny. She seemed to enjoy this bit and I gave her a good pumping while she let out little grunts of pleasure. She let me come at length which was satisfying.

I then got off and we both dressed in silence. I think she was glad to see the back of me and feelings were mutual. However, it might have been a bad night, and if you want a cheap and cheerful shag then this place might be for you (tho' some of their services could be pricey eg "greedy boy".)
