The Premises:

Very nice and comfy apartment, easy to find, visitor parking was fine.

The Lady:

Honey is a little bombshell, blonde hair, pretty, and of course those massive boobs, nice figure a very sexy lady.

The Story:

Let in by Honey and shown through to the room, had a good 5 min chat before getting undressed and onto the table, she stripped down to bra and knickers and the massage commenced. Warm oils and a thorough proper massage, shes qualified and knows what she is doing, definately not just a back rub with her.

After around 45 mins on front asked to turn over and more work on the legs and finished off with a very happy ending, before which the bra came off to reveal those massive boobs. Ok with polite touching of bum and boobs. Shower and chat afterwards, and she spent some extra time going over something skin related with me and was in no hurry to get me out of the flat.

All in all very good hour plus with a sexy, friendly lady, certainly recomended.
