The Premises:

Beautiful old house in a suburb of the city very close to the M32 exit.

Felt perfectly safe.

The Lady:

Maya is a very anglicised Thai lady having lived here for many years. She clearly takes a great deal of trouble with her appearance.

The Story:

Well, where do I start? Maya is a true mistress of her trade and we explored areas of sexuality that I had never experienced before. All except one were the most fantastic experience and I now know that the one I didn't take much to won't be tried again. As she said, don't knock it until you've tried it! She has exquisite tits with the most suckable nipples that were very responsive to my attention. Her pussy is neatly trimmed and also responds very well to oral stimulation. Maya is a most enthusiastic lover and goes out of her way to spoil her "man of the moment" and make him feel very special.
