### The Story:

Meet was around three months ago though lady still advertises

Rang Cassie on the off chance one afternoon to see if she was available for an hour booking, got stuck in traffic on route so by her request cut the booking to a 30 minute meet which wasn?t really a problem.

Had a brief chat to sort out what was on or not, she blew me for a while then we 69?d, we shagged for a bit then went down on her again and did this a few times in various positions

A genuinely really very nice lady who offers a good service
