The Lady:

English

Early twenties, 5'7/8, brunette, cracking figure size 10, very attractive bit of a dry sense of humour, good conversation, I like her and I'm glad she lives so far away because if Zara was closer I'd probably set up a direct debit!

The Story:

Zara met me at the door fully clothed in skirt/blouse/heels and my jaw hit the floor, couldn't wait to see her naked

Zara had changed her services since the first time I saw her as she originally offered reverse O, Damn shame as I do like to indulge but hey, why do some thing you don't like, I wouldn't so totally understand.

Kisses, cuddles, wicked BJ without and Sex in any position I wanted
