The Premises:

Flat, part of a house complex in the suburbs, parking outside/down the road

The Lady:

Not a bad looking girl about 5'3, short dark hair, good figure size 8/10. Think she was polish but who knows. Early 20's

The Story:

Alexis was rather shy and don't think she'd been on the game long or seen many clients when I saw her.

A little placid though she kissed like a demon and adored getting her pussy eaten. She was up for just about anything I asked and she moaned nicely while on the pork sword so I'd probably see her again.

Saw another girl at this place too who was pretty & wanted my cum in her mouth after a quick fuck so let her have it. I think a few girls work here for a few weeks at a time
