The Lady:

Roxanne is a delightful, slim, blonde lady with smiling eyes and a cheeky grin. The photos on her web site are very accurate, and she is even better in the flesh.

The Story:

Roxanne was a bit late turning up, but managed my expectations well with texts and calls on her progress, so I wasn't unduly worried. After the necessary formalities and paperwork she quickly got ready for work - easily showing off her lovely sexy toned body for my benefit.

Started with a good massage intermingled with lots of kisses, mutual touching and stroking. She is clearly fit and has wonderful pert breasts and lithe muscles under her soft skin; great legs and a very cuppable bum.

She had me ready and willing from the word go, and we spent a good time playing and exploring her body. Her nicely smooth pussy was a delight to explore before she returned the favour with a superb BBBJ. After nearly finishing before I'd begun, it was on with the jacket and she climbed on top for a lovely long ride. Rolled over to mish, building up for a good pounding finish.

Only one small disappointment was her slightly early departure - but then it had been a long day for both of us, and a satisfying one for me anyway!
