### The Premises:

Ground floor flat off a quiet street with potential meter parking zones. helpful receptionist and working girl who rang me to check if i was ok as i got caught in traffiuc jam. Nice shower, bathroom and bedroom. First time, i have used agency, weekdays 2 usual girls despite quite a long list of clients unlike Milton Keynes. Wondered if like other cities, GFE exiosts including kissing in Birmingham.

### The Lady:

Long legged slim 5ft 9in, exotic french/arabic feature woman with long hair and 34c, size 8 figure. Looked about 21-22 years.

### The Story:

Sweet, shy girl who was reluctant to kiss on the lips, though at the end, some success. Otherise fair covered BJ and sex was good in a number of positions. Keen to move it along so that cuddles could occur and i am ok with that. New to work here or maybe i m not as kissable as i thought. Still had a smile on my face and lovely smell of her perfume.
