The Premises:

New flat, secure parking, seemed fine.

The Lady:

Slim, young, small tits but nice, getting slightly heavy in the bum and legs department, I would say a size 8 or 10. Quite Pretty to look at, the pictures are her but have definitely been polished up.

The Story:

When I arrived it was clear she wasn't happy with her chosen profession. I decided on half an hour rather than an hour at that point. The covered BJ lasted (and I'm not exaggerating) 5 seconds. In her mouth and out once, then she quickly whipped out the lube and indicated to get started. At that point I realised she wanted me out of there asap so I did the business in as quick a time as possible. She then vanished so I let myself out. It didn't help that she didn't speak a word of English.

Be warned, you get what you pay for.
