The Premises:

Very easy to find, it's in Marble Arch, safe, clean.

The Lady:

Petite but with a perfect body a real doll that seems to enjoy the job and do want to please.

The Story:

I would say that she offers an excellent GFE, she's nice and sweet and I liked her very much because she felt genuine. The list of services on offer is wide, kissing and mutual oral were great and so it was sex. I left her place planning my next visit.
