Greeted like old friend but first time meeting her, full on big kiss,dressed in black see through top

me best kissing i have had she likes to kiss.

Got undressed as maria called agency,I had asked agency for WS and PSE,and got it 110% maria
called me a dirty boy and needed to pee as had drunk a few bottles of water,into bath me laying
down maria washed me then stood over me and peed if was so sweet and sexy must of had lots of
water long pee with me licking her clit and lips looking up at her past her big boobs could see she
was liking doing this a very dirty girl i loved it.washed and off to bed lots more DFK then 69 very
small shaved pussy.

Wanted condom now but maria wanted to pee again so into en-suit shower again sweet, dirty girl
didn't clean up, maria deep thoated me, condom on stood up and I took her from the front and back
against the wall all the time DFK me then missionary ,doggy maria asked did i want "A" well how
could i say no, the site of her with me in her was wonderful amazed i fitted in as she recons i have a
black man cock in size never thought it was that big but very nice to hear,
maria asked did i want to come in her bum, no i said wanted CIM
more BBBJ and wanking in her mouth I came ,having seen all her feedback knew what was coming
a first for me she snowballed me took a little in mouth ok the rest maria spread all over mine and
