Very similar to the pictures tall firm body long legs.

The Story:

Very unfriendly welcome to begin with.made me feel uncomfortable from start.No kissing and no where near real GFE. Continued with poor quality oral just putting the tip of my dick in her mouth.At this stage I just wanted to finish and asked her to put the condom on and was glad to finish asap cowgirl style.For the first time @annabellas I did not want to stop myself from ejaculating soon. Asked if I wanted 2 cum again but I was not in the mood.I looked forward to meeting her and to start my Sat +ve but she changed my mood for the rest of the day.I've visited many ladies in annabelle's and she is been d worse so far.

Do not let her feedback and looks fool u.She is nothing special @all.
