The Story:

Boring bank holiday and thought I'd liven it up by punting. Had overlooked Pixie for some unknown reason but had recommendations that she was a star in the making. So thought I'd see for myself. Welcomed in by Hannah and allowed to wait in the kitchen with Millie while waiting for the room to be ready. few minutes later I was in the room and Pixie entered. Brief hello, paid and straight into DFK while undressing each other. Certainly no messing around.

Proceed with lots of DFK while exploring each other, before a long session of RO which certainly made her vocal and sounding like she was enjoying herself.

Time to repay the favour with OWO, and with a whimper I asked if CIM was available. "Yeah!" was the reply. Ooooookay!

Me standing and her sitting on the settee for more OWO with a great CIM finish.

No sooner had I cleaned up than she was back on mini-overworked with OWO initiating round 2. And it worked!

Second round of cowgirl and missionary with lots of DFK which she seemed to enjoy more than I did.

Relaxed by giving her a massage before her returning the favour.

Little more DFK and cuddling before more OWO to start a round 3 in doggy style.

Hasnt been many girl that Ive gone to 3 rounds with. Megan is one so should say something about Pixie.

Great girl who seems to love the time together and very energetic. I was sweating by half time. Cant

believe Ive been overlooking her.
Was told she was a star. Yup I agree 100% with that.
