The Premises:

Basement flat at the corner with Bateman St. Ok room with a sofa & bed.

The Lady:

Attractive Venezuelan (probably true) girl with some nice curves, though her breasts were only a B cup once she'd taken her two bras off! A few tattoos, but they weren't offputting, and a brazilian wax.

The Story:

Quickly put the condom on with her mouth, which soon got me hard. She then proceeded to give me exceptionally good OW.

As she lay down I was tempted by her round butt as she lay curled up, but wanted to go for a good pounding in mish. I didn't regret this, as she wrapped her legs around me and gave some eye contact while I fucked her hard. After a few minutes she started playing with my balls; quite an obvious ploy to get me to cum sooner, but I didn't care because I was only there for a quicky and it helped me to a good strong climax!

A quick chat & a kiss on the cheek & I was on my way. Perfect quicky with a pretty, enthusiastic & skilled girl.
