### The Premises:

Nice well kept clean apartment. Secure access, with all the location advice provided appropriately. Shower and bathroom facilities up to standard, bedroom with clean sheets and comfy too.

### The Lady:

As per website and a bit more. IK services don't show the face on website. Gaby is cute as a button. I am not a fan of tatoos, Gaby's however suit her. Age per website at 20 is also genuine.

### The Story:

I have not been a great submitter of reviews in the past but am now picking up the habit.

As a visitor to outside Leeds in the past, I had tended to favour outcalls, and had defaulted to well known (Mc..) outcall agency with pleasant but in the end unfulfilling engagements. Finally took the plunge to drive into Leeds and meet an IK services girl - why hadn't I done this much earlier?.

Gaby as noted above per website, cute as a button and a truly saucy little minx. A really nice girl who doesn't hold back in making sure both parties enjoy the engagement.

A uninhibited welcome (inc kissing which is crucial for me) was followed by the requisite shower, which Gaby joined and proceeded to bring to an eventful result with some delicious OWO and for me a very foreful conclusion which was adeptly handled.

Retiring to the bedroom, some further intimate kissing and conversation was followed by reverse oral. A very pleasurable experience with evidenced satisfaction, in particluar some noticeable post orgasmic spasms.

Once recovered (myself rather than Gaby) then followed a very athletic, multi-positional and boisterous session of sex led by Gaby. Gaby has the capacity to drain you fully and still keep you going.

Gaby is a gem, I regret not having tried earlier but look forward to the next visit. Not sure I am yet

upto Gaby's very tempting offer of her and Leah which in her words would 'blow my mind' - she had already done so and then some.

Thoroughly recommended.
