The Premises:

Quiet residential street, place has been described as very dirty and although not pristine I have seen worse.

The Lady:

Tall, long legs, high cheekbones, all made up would probably be look good in a photoshoot. Up close the face could do with more fat and although the breasts are a nice size the legs and bum feel scrawny.

The Story:

Advertises on you know where, she had done a late cancel on me before and when another girl had to cancel I tried her and she was free. However her price had gone up in the meantime so the ?45 per 30 mins had gone upto ?60.

She accepted that it was a genuine mistake and took the money but insisted upon a limited range of services and on getting me to shoot and leave asap. One of those would have been fair but both was a bit mean.

She is very noisy which is not to everyones taste and gets quite argumentative though not in a mean way.

Not for me but may suit others.
