The Premises:

Apartment in large terraced house on main street. The bulbs were out in the door buzzer, not a good sign. Only buzzed two wrong apartments before I got the right one!

The Lady:

Polish brunette, about 25 years old, curvy, but tanned and fit, with huge enhanced boobs.

The Story:

Her profile said she did the full GFE, but sadly she didn't. A classic moody EE girl with no interest in what she's doing.

No kissing was on offer. She gave me a brief BJ before rubbering up and riding me to completion. I was out the door and back on the street within 20 mins.

The number seems to be linked to the establishment, as Claudia said she was going back to Poland and the profile is still live. If she returns be sure to give her a miss.
