The Story:

This was was first time on the Soho Walk-up scene and having done a little research beforehand I was amazed at how cheap it was so decided not to opt for the hurried 10 minutes, but a slightly more leisurely, but excellent value, 20 minutes.

Eva was very friendly and we got on well. She offered to wear any of a multitude of outfits she had hanging around the room, but she looked good enough to me in her knickers, bra and hold ups so I stuck with that. After getting my cock nice and hard she put the hood on and performed some nice oral while encouraging me to spank her where I could see in the mirror and allowed me to play with her pussy.

I asked to perform some reverse oral so she knelt astride my face (to keep in control) and let me lick her lovely clit and encouraged me to place a few more well aimed spanks on her lovely ass cheeks. she seemed to enjoy this and then climbed on board, firstly facing me and then going into reverse cowgirl to finish. I came pretty quickly then, probably inside 10 minutes rather than twenty, but instead of hustling me out the door she offered me a massage which I gratefully accepted and she took her time easing the tension out of my back and shoulders while we chatted.

She is a lovely, lovely girl who is well-travelled and intelligent and will really look after you if you do the same for her. well worth a visit!
