Georgia looks the same as the web site shows a great pair of 34G breasts, who had no bad attitude in the room and happy and eager please.

The Story:

As it was my Birthday a trip over The Pennines was called for, I saw Georgia's photos on La Masion's web site and knew that she was the girl for me. I booked in by phone and turned up a little early, but Georgia was running a bit late which was not a problem at all. Georgia looks the same as the web site shows a great pair of breasts 34G who had no bad attitude in the room and happy and eager to please. Once we were in the room we got undressed and I had a shower, what started next was totally out of this world, lots of French kissing, with Georgia going south and giving me lots of O.W.O. Before I knew we were in a 69, Georgia didn't wank me with her mouth over my cock as I could feel her hands on my legs. We were next having sex with me on top then Georgia on top, which finished off with an oily wank. A great time was had by me a very sexy girl, who I will see again.

Very highly recommend
