### The Premises:

Nice parlour with rear fire escape entrance/exit. Always well maintained and furnished to a high standard.

### The Lady:

A little pocket rocket, quite small with shoulder length black hair. tight little body. Probably in here late 20's or early 30's.

### The Story:

Ive seen McKenzie a few times now and I cant help but keep going back for more. She provides a great GFE but more than that she really cares about what she does. She has a rockin body and is a real turn on, going straight into a passionate embrace before Ive had chance to disrobe and then dropping to her knees for standing OWO. The girls a star in every sense. Despite a raft of great reports on LM's site she's well grounded and hasnt let her popularity go to her head one little bit. IMO, cant be beaten!
