The Premises:

This was my first visit to Annabellas, Very easy to find and park and the room itself was very comfortable and thanks to Carmen for the glass of orange juice

The Lady:

Millie has a stunning figure with superb breasts as her photographs suggest but is also a very pretty girl with shocking red hair... Overall WOW

The Story:

I asked Millie for lots of kissing and owo and this I got, loads of infact and nice and wet and sloppy mmmmm. Millie then rode me cowgirl for quite a while, offering to change positions but I was more than happy to just lie there looking up at her wonderful breasts... Had a good chat and we sorted out each others lives :) then off I went.. All in all a great bank holiday. Thanks C
