The Premises:

Very nice, modern block of flats. Terri buzzes you in, so very discreet. Safe area and plenty of parking on one of the side roads nearby.

The Lady:

She's lovely.....Thai/Filipino mix, small frame, lovely bum and perfectly proportioned breasts. Age? No idea, but it really doesn't matter, as she has a really pretty face, a lovely smile and a fit body!

She was wearing a very nice, off-the-shoulder black dress, which didn't stay on for long. She is very flirty and a very charming, flattering girl!

The Story:

My 1st time, so I was as nervous as hell! I thought my heart was was going to jump out of my chest!

I'm a sucker for Oriental girls and once I saw Terri's smiling face she immediately put me at ease (and reminded me of an ex-girlfriend!). She gave me a really nice massage and we chatted for a while. She has a very nice manner and is very easy to talk to.

She worked her way down and started to pay attention to the important areas and started to get me hard. She applied the condom with her mouth and straddled me. She is lovely and tight!

I then took her from behind, but the view in the mirror and my nerves didn't let me last too long. She finished me off by hand.

Some details I've left for just myself and Terri and if ever I'm in Luton again I'll be straight back to see her....less nervous this time!
