### The Premises:

Well known Thai parlour in Victoria Road. Quiet street with ample free parking. Pub acrosss the road so I'm sure locals watch who's coming and going whilst they sup their pints. Clean and tidy but alittle drab. Greeted by owner in dressing-gown - apparently having had a late night. She is the sister of the owner of the place on Narborough Road in Leicester that I have reported on.

### The Lady:

Opted for the ?100 hour massage without seeing the girl. I was told this included the girl joining you in the bath and cumming twice if you can manage it. When Kat entered the room to be honest I was a bit dissappointed. She has a nice slim body and long hair. Pert tits with big nipples and shaven pussy. She is attractive rather than beautiful with a rather flat face.

### The Story:

Whilst the bath was running she gave me an oily back massage. Then when I turned over she stsrted working my prick until it was hard enough to put on the condom. Then a covered BJ on the bed, stood in front of the mirror and finally sat on the sofa with her kneeling in front. Started to fuck her doggy but couldn't get in deep enough so onto the bed with her on top. Nice climax. Into the bath for a good soaping and fondling. After we dried ourselves we went back to the bed for what could have been round two but although the mind was willing the body wasn't. Nice cuddles but no real kissing. Now this is the strange thing for the next 30 minutes we just talked and I enjoyed this as much as the first 30 minutes. She is a very bright 22 year-old with good command of English and we each shared alot about our lives. Normally no OWO and no DFK equals poor punt for me but this was very different - a very pleasant hour. Tipped her ?10 to help with brother's education in Thailand who she says is the clever one - I think you are clever as well, Kat.
