### The Story:

After reading previous reports was really glad when told she was available and boy she didn't disappoint! We started off by undressing each other before taking a shower together. After some soapy fun we dried each other off and got down to business on the bed. First some mutual oral before an amazing handjob which practically had me exploding! Managed to hang on long enough for her to bag me before heading for the missionary and an amazing orgasm. Really can't fault this girl at all. She truly deserves all the positive reports she gets. When doing the handjob she was happy for me to guide her, asking me how I liked her to do it, and patiently guided me when I did oral on her. An amazingly sexy enthusiastic girl who deserves the utmost respect chaps. I for one can't wait to meet her again!!
