The Premises:

Flat in a Victorian house conversion in a terraced street. Easy to find & street parking available. The flat was clean & tidy.

The Lady:

Young brunette, size 10, shapely with a nice bum & 34D tits.

The Story:

I asked for a chav fantasy & she seemed keen on the phone. I expected her to be in a hoodie, trainers, cap, lots of jewellery etc. When I arrived she was dressed in underwear & stockings - not what I asked for, but as I had traveled quite a way I carried on with the punt. The BJ was nice enough & the sex was fine, but I was disappointed that the fantasy was not a part of the punt. We talked after the first round, and then she gave me a hand job, but seemed to get bored & instructed me to wank over her tits. I tried, but the will just wasn't there. All in all rather disappointing & not what I asked for.

However to be fair she may have been having an off day?
