The Lady:

Very nice cute girl. Looked like in the pictures but had some tattoos that were airbrushed on her online profile.

The Story:

This is by far the worst experience I ever had. Called the agency to be greeted by a very nice lady, after agreeing on the price and time she said she will be there in 25 min. Took her more like an hour, but that's ok. Once in the house, the girl was simply plain cold and distant. She started with the "take your clothes of", "get in bed", "no kisses", "no touching" and a long etcetera of rules...they should send her with an instructions booklet.

Sex was awful, she started with a HJ that took forever at some point I asked her if we were going to do another thing, she just replied that she wouldn't be doing this for an hour ("30 min max") so I better come quickly. Forget about OWO then! After 20 min I asked her to leave and regret since then not having asked for my money back.

This girl doesn't enjoy what she does, she doesn't enjoy being with you and won't be looking to please you or have fun. Save your money lads!

PS: I called the agency back to complain, they simply offered to send another girl without the taxi fee.
