The Story:

Sasha (aka DirtyPrettyThing) is simply beautiful - in looks and personality. I was planning to try an anal session and set this up with her via email and text. She was very sympathetic as this was my 1st such try. She looked after me with great care and real tenderness and tried to get me hard enough for anal without success on my part - the more you try the worse it gets! Bless her she had toys in both holes and wanking me but just couldn't relax enough. So I left frustrated in my performance and sorry for Sasha who had worked so hard.

Did have nice OWO and CIM but this is unfinished business!!

Sasha is a really lovely, naughty, beautiful woman who I can't stop thinking about.
