The Premises:

Gabriella had a nice room at a new hotel direct at Liverpool Street tube. I got the room number texted and the hotel is posh, welcoming. She had put the glass in the minibar, so that the white wine was cold and fresh towels just waited to get wet in the shower.

The Lady:

Gabriella is toned and tanned, not an inch of fat on the tummy. She looks much better in reallife than on the webpage (originally i wanted Megan but she was not available) because she is slimmer and her boobs are real (not fake looking as on her page). She has a warm smile and her hair is really soft. Immediately wanted to extend the appointment

The Story:

Gabby is a real PSE. She likes dirty talk and is outstanding in her skills (slobby BBBJ, straight A-levels and juicy mish). She is my favourite girl when it comes to hard and rough sex. She wants to be pulled on her hair, virtually jumped on the buttplug when i asked her. I wish i could have stay longer with her but she is always busy and only downside is to get another appointment with her. I had shaky knees when i left...
