The Premises:

This is a new block of apartments just outside the centre. Very easy to find. There is a call button to gain access and a lift to her floor. Being new it was very clean with a shower and gels.

The Lady:

Trisha is 43 but very well kept, quite large tits 38DD a good hand full, quite tall in heels. she gives a true gfe, lots of kissing and cuddles.

The Story:

On arrival I was offered a shower and a tea, she was wearing a red basque and a see through long coat, after my shower she set about me with more kissing and fondling and on to the bed this led to owo and a prostrate massage with lots of eye contact. I had to taste that lovely hot pussy. She came off while I sucked her clit. then on with the rubber and intercourse in many different positions. A real find she is. Thanks Trish
