The Premises:

Very comfortable and modern flat in garden square half way between Gloucester Road and Hight Street Kensington. Quiet and discrete.

The Lady:

Strikingly pretty Thai girl with long dark hair - more attractive in the flesh than the web site pictures suggest. Curvy figure with spectacular boobs , probably enhanced but well done.

The Story:

Not used this agency before but their web site looked professional and the receptionist was helpful. My first choice was busy but he recommended Sakura and she certainly didn't disappoint. Her English was good which always helps and she has a mischievous smile and great sense of humour. I'd describe her service as mid-way between porn star & girlfriend , nothing seemed off limits but it was all unrushed and offered sweetly. Sakura was so much fun that I extended my initial 1 hour and left feeling it was worth every penny. I gather she's moving flats quite soon but staying in the same area. I'll certainly be back - highly recommended!
