The Premises:

Room in large shared basement flat close to West Kensington tube. Quite clean and safe with bathroom facilities available.

The Lady:

Attractive 20 year old Hungarian girl. Says she is a student..hmm..but very bright and intelligent so maybe true. Lovely, curvy body. Couple of tattoos, one unfinished! Could do with losing the ridiculous blonde wig that she says she wears to protect her anonymity..lol.

The Story:

She does everything written on the can. Began with a 'get to know each other' chat. She is an interesting girl and it would be easy to squander the hour in idle chit-chat. So moved things on and quickly discovered her excellent oral skills with a killer bbbj with lots of deep throat action. She had already said that CIM was ok so got her into my favorite bj position astride her face and fairly quickly pumped off both barrels down her willing throat. She discretely spat.

More pleasant chat ensued before we embarked on round 2, which started with more oral and ro, followed by various positions and finishing with an assisted hand job to completion over her perky tits. All with much DFK making an excellent GFE.

Offers anal for an extra 30 squid but I didn't partake.

A good punt with a nice girl.
