The Premises:

Bed and Breakfast on outskirts of Nottingham. Bit grotty but i think it was only temporary for her. Bit unerving having to tell reception which room you were visiting..

The Lady:

Good looking. Bit bigger than the pics on the website but great tits..

The Story:

Bit strange visit to be honest.. Started off well, She took my money and came back in the room and told me it was owo to completion as she had no condoms.. As i was in a rush i thought ok.. As it started it was mostly hand relief. I had to keep telling her to use her mouth.. Then she told me it wasn't to completion so shot it all over her tits..

Would i recommend.... Possibly... Ensure you get all the services agreed before paying...

Would i return.. Unfortunately not. This is a shame as she is a lovely girl..
