The Story:

Can't believe how lovely this lady was. For just ?40 a full service with a delightful Chinese girl who loved to kiss deeply and cuddle passionately. For the money this was a steal and restored my faith in punting. I chose a massage which led to me performing oral and rimming followed by the best sex I've had in ages. When I thnk of some of the horrors I've had in the past this was truly unbelievable and Tina was an absolute star. Definitely a 10 out of 10 experience. Please treat her nicely, she's a gem but she's only there for this week so be quick. That said, I'm sure they really try to look after their customers at this establishment.

I haven't bothered posting lately because my few recent experiences have been so drab. This was awesome and I can't resist shouting it from the rooftops.
