### The Premises:

Budget hotel

### The Lady:

Photos on website very good. She is a Thai in her 20s with lovely body and good personality.

### The Story:

Bad points first: Agency quoted me ?220 for an hour, when it is ?200 on website. Nomi was 20 minutes late. She had lots of phone calls which she answered while on the job (but not when mouth full) and she asked to leave 20 mins early. I agreed.

However, despite all that, this was a superb punt and I would do it all again without complaint.

I had asked the agent for CIM and she obliged. Her technique was very good (it needs to be for my libido) and we had oral to completion followed by doggy shag. I would have liked a slow cuddle after the action but once she asked to leave, the magic was over.

Still worth it.
