The Premises:

Sub level floor at the front in a Block. Extremely safe with a buzzer entry. Parking is no problem in the side streets. Flat was clean and tidy, very welcoming.

The Lady:

Terri is beautiful. She has amazing skin, a great arse and tits and a very pretty face. She was nicely dressed in a very short dress and wearing a sexy smile.

The Story:

Terri stripped then started with a very good massage, she is obviously properly trained and worked on all the right areas. She then worked her way down for a very sexy bum massage with attention to my cock from behind. Turned over for great Oral and then 69, she tasted great. I did not last for the sex as the Oral was too good. There was still ten minutes left so Terri finished the massage. Excellent service and value.
