The Premises:

Nice clean apartment near to the shopping centre.

The Lady:

Attractive English black girl, early 20's, slim size 8, nicely enhanced 34"E bust, about 5'4" tall, and as her photos show bright red hair.

The Story:

I decided to head up to MK for a punt, booked last minute to see Millie.

Welcomed at the door by Millie with a nice smile, and shown into the bedroom, very friendly girl, she offered me a drink as I went for a quick shower next door, only the shower wouldn't run, so had to have a dip in the bath.

Back in the room and Millie soon joined me, she lay a towel on the bed, and I pounced, and got my mitts on her slim body, nice soft dark skin and well made big boobs, Millie was quite giggly and we were soon kissing and cuddling, I sat on the edge of the bed and Millie sat on my lap, lots more kissing and fondling then I asked nicely for a blowjob, which Millie happily administered on her knees.

Got more comfortable on the bed in 69, Millie has a lovely little pussy which I enjoyed giving a good licking as she carried on OWO and ball licking, could of eaten her all day, but time was running, so on with a condom and she mounted me for cowboy, quite a tight pussy, and she rode me well, and more kisses.

We then manoeuvred into Mission by means of some gymnastics, more kisses and giggles, Millie played with her clit as I thrust away, we carried on for a bit until I couldn't hold back any longer, great cum wow!

Millie was quick to grab the wet wipes and was sweet enough to clean me up.

Time had seem to of flown by, time to get dressed, and had a quick chat, then out the door with a

kiss, really friendly young lady, good choice for a GFE, next time I should book for longer, want to do doggy, not many decent black girls about, I would recommend Millie.
