The Premises:

Shiela has a nice, clean, modern place in a new development. No problems with the area or security.

The Lady:

Shiela is a tall, and very well proportioned black lady with some wonderful assets. Great long legs, a terrific bum and fabulous boobs. Aged about 23 I would guess (I didn't ask her). She presented in lingerie and heeled boots and what a magnificent sight. I discovered her on the site that cannot be mentioned where she is listed as 5' 8" with 34E boobs and that looked about right to me.

The Story:

We sorted out the cash and then I followed her undulating bum upstairs. There is a good sized bedroom and an en suite shower should you need it. She left and brought me back a drink by which time I had taken off most of my clothes. We sat on the side of the bed and chatted and then she took her unnecessary clothes off and what a great sight. I won't go into details but I had a wonderful time and her oral skills are tremendous. I am always nervous on first meetings but she put me at my ease and I am not in the first flush of youth but that was not a problem. I can't recommend her enough and will be back to see her at the first opportunity.
