The Premises:

Quite impressed with this agency, has 2 apartments and they are clean, well furnished and ok. The bed was a bit squeaky as we did some good work on it, fortunately it held. Once again helpful, pleasant receptionist. Had good experience and their girls are great. Plenty of metered street parking and buzzer to block of apartments.

The Lady:

I choose Honey, not always easy as she has limited availability. A 5ft 4in, 22 year old Indian woman, size 8 with lovely small 32C breasts. Lovely slim figure, check out her photos they are lovely. Lovely dusky soft skin too.

The Story:

We seemed to connect really well and sometimes that means kissing happens. Not DFK, still lovely. She did oral without and allowed me to return the favour with interest. I really do not want to go into great details and we certainly tried different positions. One of my very best punts.
