### The Lady:

A slim Indian girl in her early twenties with very long black hair.

## The Story:

I give Amina a 11 out of 10 for her looks, she is stunning! With beautiful long black hair and lovely tanned skin, she is hot! Her figure is slim framed with great tits. A soft spoken girl, she was very easy to talk to and I felt at ease and relaxed in her presence straight away. I did't have much time so I opted for 30 minutes which was a real shame because I would of loved to have spent longer with this princess. She has a soft touch and lightly massaged me before giving me covered oral. Sex in mish felt fantastic, her sweet asian tight pussy felt wonderful. I throughly enjoyed the whole experience and I will return to see this princess but for longer next time.
