The Premises:

Davina works for a new establishment in the south park area of lincoln, The apartment is modern and super clean with a private entrance and no likely trouble from nearby residence

The Lady:

Davina is around 5ft and a size 10 with curves in all the right place
she has a real girl next door quality that immediately put me at ease

she offers several levels of service from the basic HJ and BJ, beyond to all manner of bondage, tie and tease, spanking and more diverse pleasures

The Story:

We chatted for some time and this quickly became a GF experience rather than a normal punt
She massaged my back and legs before moving on to the more interesting areas

I was asked to turn over and then the fun really started

Davina has an expert touch and soon had me in a real trance as she oiled and massaged my stiffness

Using a superb hand and oral technique, I was soon on the brink and ready to explode but she had other ideas bringing me to several peaks before finally letting me climax

I dont think i have ever cum so much in my life and was truly drained and left wanting nothing from this experience
